Description

For sale: a modern house currently under construction, offering 160 square meters of internal living space. Designed with comfort and functionality in mind, this home features three bedrooms. Large windows create a bright, welcoming atmosphere throughout the home, and the open layout offers plenty of room for both relaxing and entertaining.

With energy efficiency class A, the house is built for sustainability and lower utility costs, ensuring comfort year-round. Contemporary finishes and smart planning provide a modern touch throughout, with quality materials and attention to detail in every corner.

Located close to the highway, this property makes commuting and daily travel simple and convenient. Whether you need more space for a growing family or want to invest in a modern home, this house is a smart choice.
