Description

For sale: This modern apartment offers comfortable living in the sought-after area of Egkomi. Currently under construction and scheduled for completion in 2027, it features a bright and spacious internal area of 83.7 m². The apartment includes two well-sized bedrooms and two stylish bathrooms, making it ideal for couples, small families, or professionals.

Located on the first floor of a four-story building with an elevator, this apartment combines contemporary design with energy efficiency rated A, ensuring lower utility costs and a more sustainable lifestyle. Large windows allow natural light to enhance the airy and open layout, while quality finishes promise lasting value.

Egkomi is a vibrant and established area, known for its excellent schools, convenient shops, and a wide range of dining and leisure options. The neighborhood is well-connected, with quick access to the highway, making commuting easy. All essential amenities such as supermarkets, cafes, and pharmacies are just minutes away.

For more details or to arrange a viewing, contact MPA Property and let us help you step into a new standard of living.
